INDIA'S LARGEST INTEGRATED F&B TRADE SHOW

The **NUTRIEXPO AND INGREDIENTS** is one of the largest trade fairs across the nation, being focused primarily around the food & beverage market, as well as the organic commodities and ingredients sector. This Expo facilitates the culmination of the best brands across the industry as well as some of the most eager buyers and investors.

Grasping new business opportunities is made extremely easy with our one-on-one meeting lounge and our networking forum. **NUTRIEXPO AND INGREDIENTS** shows visitors from the retail FMCG segments, the wholesale market & the rest of the industry, the wide array of brands across the spectrum and the size of potential that this market can rise to.

NUTRIEXPO AND INGREDIENTS promises to be an active and busy marketplace, where new connections are forged, and brands make business connections to last them a lifetime!

NUTRIEXPO AND INGREDIENTS fuels the F&B business by helping facilitate connections between buyers and brands with outstanding services like international hosted buyer program, bridging relationships and strengthening connections. Additionally, buyers have opportunities to learn, network, and conduct business with new and existing exhibiting suppliers.

INVITING ALL PRIVATE LABELLING AND CONTRACT MANUFACTURERS FROM F& B INDUSTRY

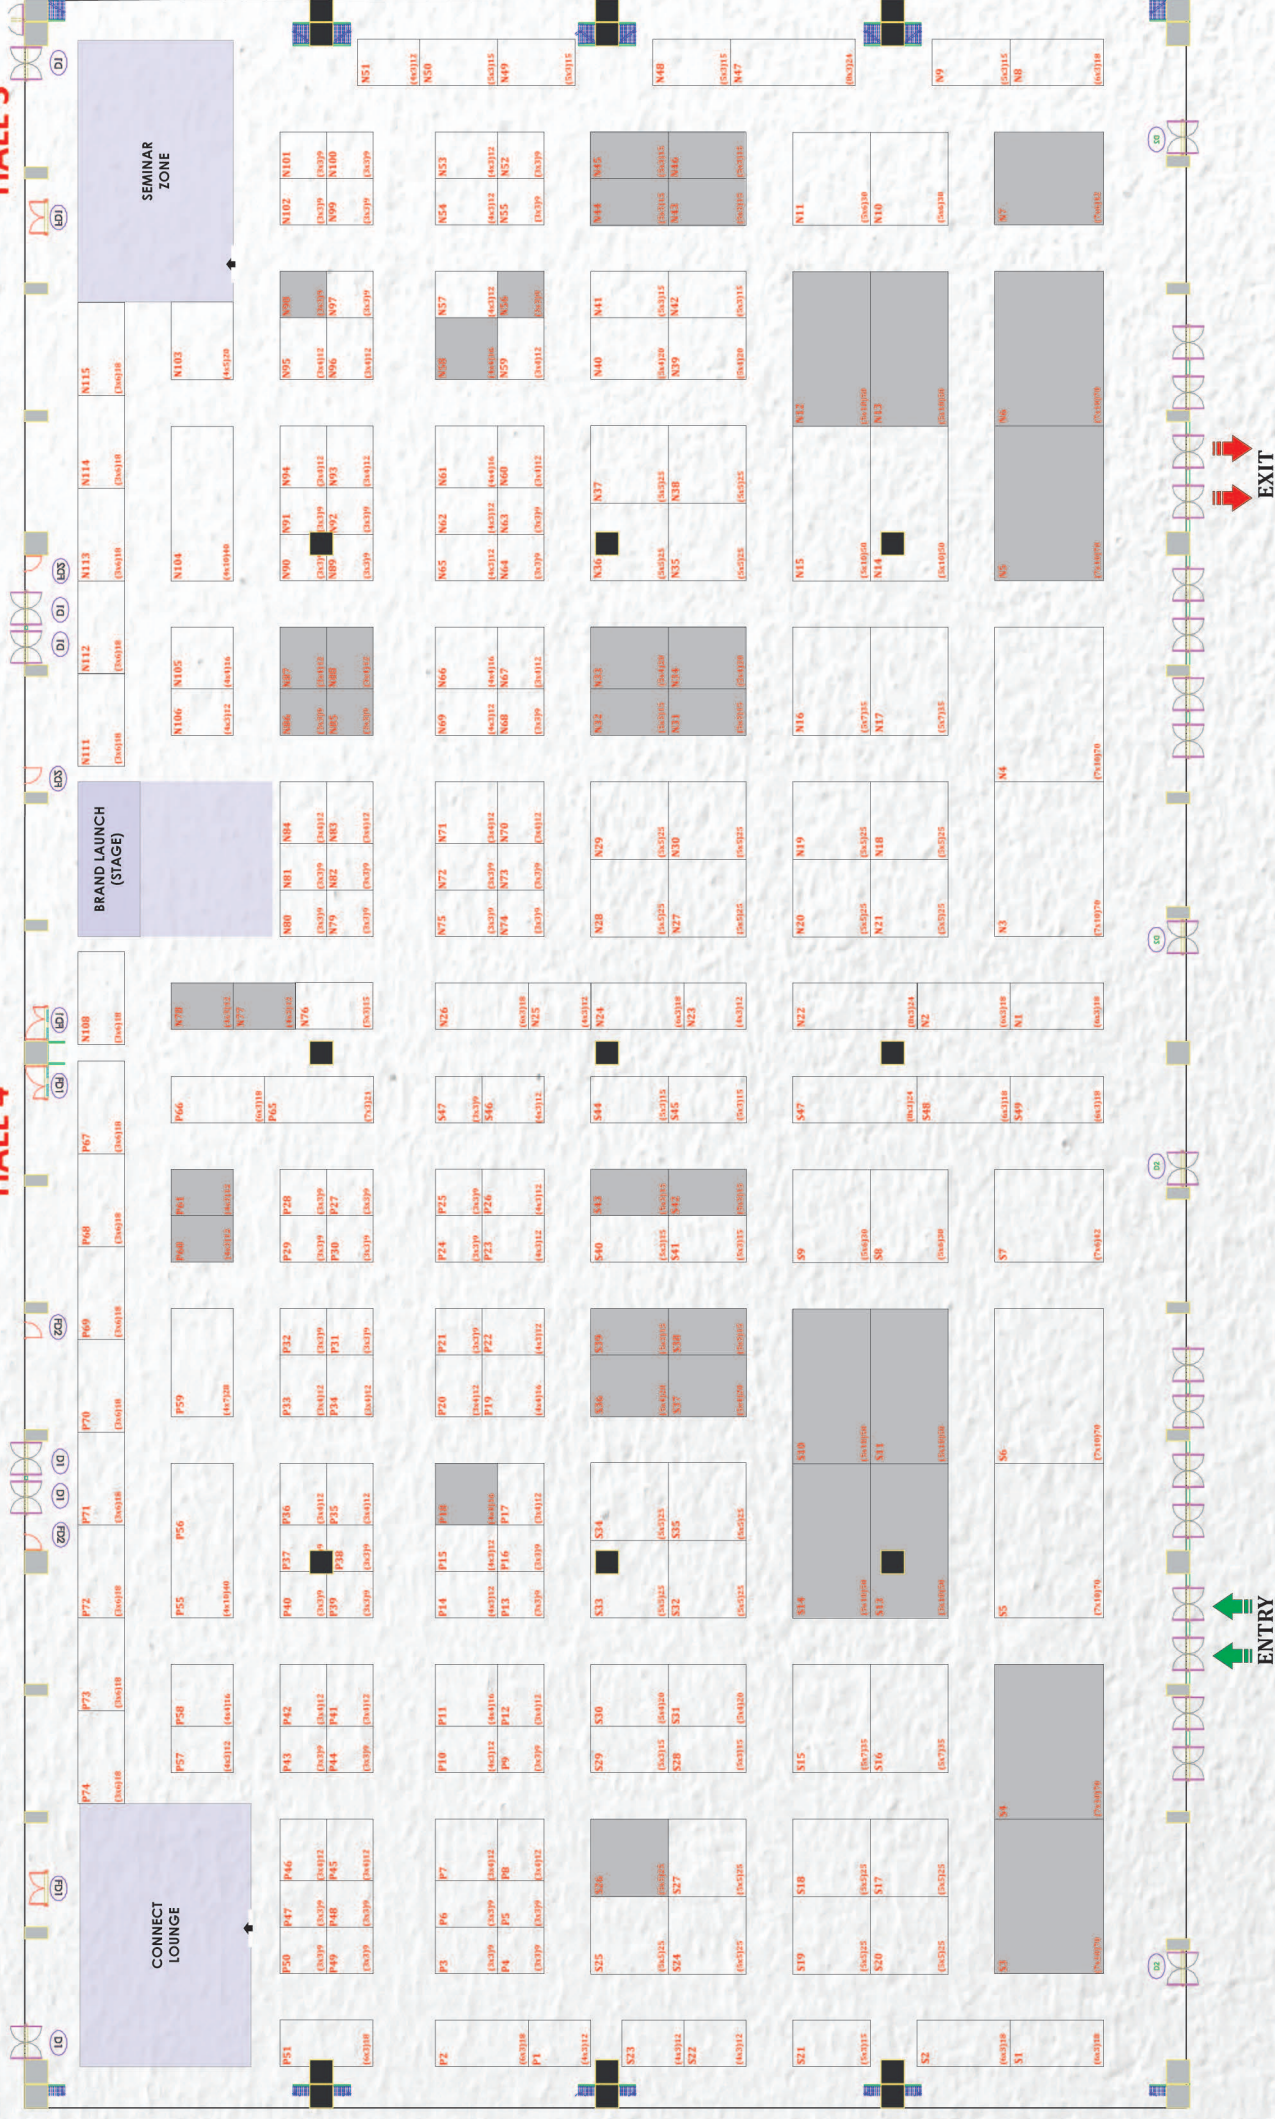

The F&B sector is one which is filled with possibilities for private label manufacturers, especially in today's day and age. The scope for opportunities is higher than ever with the rapidly changing trends in the market, some of the biggest players and most solidified brands in this space are eager to collaborate with private label manufacturers, with the goal of succeeding in the market without having the burden of manufacturing & production.

Making up our visitor profile are some of the biggest international and domestic brands in the market, who are looking for the best solutions in private label manufacturing. This Expo is the perfect platform to increase your visibility amongst these brands and provides innumerable opportunities for collaboration and business.
